## SOAR Camp

Summer Opportunity with Advanced Rigor for gifted learners in 7th-9th grade.

**July 29-August 3, 2018      Waypost Camp (Hatley, WI)**

## Wisconsin Center for Academically Talented Youth

- **Preparatory Academic Campus Experience (PACE) For students completing grades 6-8**
  - Who?** Students completing 6<sup>th</sup> - 8<sup>th</sup> grades
  - What?** Academic summer camp commuter students
  - Where?** UW-Madison Campus, Madison, WI
  - When?** July 8- July 13, 2018 8:30 – 4:30
    - Application Opens: **January 3** Application Deadline: **May 14**
    - Financial Aid Deadline: April 10th
  - Why?** Explore current interests and passions with like-minded peers
- **Young Students Summer Program (YSSP) - For students completing Grades 4-6.**
  - Who?** Students completing 4<sup>th</sup> -6<sup>th</sup> grades
  - What?** Academic summer camp for residential and commuter students
  - Where?** UW-Madison Campus, Madison, WI
  - When?** June 24-30, 201
    - Application Opens: **January 3** Application Deadline: **April 30**
    - Financial Aid Deadline: **April 10**
  - Why?** Early camp experience, intellectual challenge, single subject focus, exposure to new disciplines, lasting friendships
- **Summer Transitional Enrichment Program (STEP) - For students completing grades 7-8**

Web Link: <http://prgms.wcatyweb.com/index.php/summer-camps/2014-09-02-19-06-27>

  - Who?** Students completing 7<sup>th</sup> -8<sup>th</sup> grades
  - What?** Academic summer camp for residential and commuter students; 50 hours of instructional time
  - Where?** UW-Madison
  - When?** July 22- August 4, 2018
    - Application Opens: **January 3** Application Deadline: **April 30**
    - Financial Aid Deadline: **April 10**
  - Why?** Challenging curriculum, high rigor, educational enrichment, head start on high school and beyond
- **Accelerated Learning Program (ALP) - For students completing grades 9 -12.** Earn one high school credit in three intensive weeks. Requires qualifying test score.

Web Link: <http://prgms.wcatyweb.com/index.php/summer-camps/2014-09-02-19-05-23>

  - Who?** Students completing 9<sup>th</sup> -12<sup>th</sup> grades
  - What?** Academic summer camp for residential and commuter students; 105 hours of college level challenge
  - Where?** University of Wisconsin-Madison
  - When?** July 1- July 21, 2018
    - Application Opens: **January 3**
    - Application Deadline: **April 30**
    - Financial Aid Deadline: **April 10**
  - Why?** Intellectual challenge, rigorous curriculum, dedicated teachers, lasting friendships with academic peers; high school credit available with pre-approval

**Camp Invention** Entering Grades 1 through 6 <http://www.campinvention.org/> Locations nearby: [http://inventnow-web.ungerboeck.com/programsearch/program\\_map.aspx](http://inventnow-web.ungerboeck.com/programsearch/program_map.aspx) Madison, Middleton, Monona, Oregon, Sun Prairie, DeForest, Verona, Waunakee

## UW-Whitewater Programs

- **Grandchildren's University** June 23-24, 2017  
<http://www.uww.edu/ce/camps/additional/gcu> Join us this summer at our Grandchildren's University on the beautiful UW-Whitewater campus. Our intergenerational camp allows an opportunity for grandparents and their grandchildren to share a learning experience from some of Whitewater's most dynamic professors. It is a great way for grandparents and grandchildren to create memories, while staying in our newest residence hall and studying side by side.
- **KEMPA Summer Journalism Workshop** at Marquette University <http://www.kempasjw.com/>
  - o A 4 day camp that emphasizes a variety of journalism skills
  - o Grades 9-12
  - o July 16-19, 2017
- **Girl's Tech Camps**
  - o **CyberGirlyz** is a day camp designed for incoming 6th, 7th, and 8th grade girls who are interested in learning more about computer technology. Campers are instructed by a combination of UW-Whitewater staff, students and IT professionals and participate in a number of fun activities which will introduce topics ranging from digital photography to programming and web design. July 24-25, 2018 8 a.m. - 4 p.m. <http://www.uww.edu/ce/camps/additional/cybergirlyz> \$15
  - o **CyberHigh** is an overnight camp designed for incoming 9th & 10th grade girls. During this two-day camp, campers will use technology to solve real world problems encountered in the business, music, and science world. Learning activities will be supervised by a combination of UW-Whitewater students, staff, and IT industry professionals. Participants will also partake in recreational activities on campus. When: 8 a.m. July 19-20. Cost: \$75 - Scholarships available to those with financial need

**Music:** <http://www.uww.edu/ce/camps/music>

- o Middle School Band Grades 6 – 8 July 15 - 20
- o High School Band grades 9 – 12 July 22 – July 27
- o String Orchestra Camps—two concurrent camps for grade 7 – 12 June 17-22
- o Solo Voice: Grades 9 – 12 and graduating seniors; July 29 - Aug 3
- o Piano Camp July 8-13; middle and high school students
- o Choir: June 10-15; entering grades 7 - 12
- o Flute: July 8-12; entering Grade 8 - 12
- o Percussion: July 29 – August 3; middle and high school students
- o Jazz: June 24 – June 29; entering grade 9 - 12

• **Pre-College Academic Camps:** <http://www.uww.edu/precollege/programs/summer.html>  
[Success in Math & Science](#) Grades 6-11 June 24-29, 2018

[College Acceleration Program \(CAP\) I](#) Grades 6-8 July 8-20, 2018

[College Acceleration Program \(CAP\) II - STEM](#) Grades 9-10 July 8-20, 2018

**UW-Madison Programs Pre-College Initiatives** A variety of programs offered at campuses throughout the state <http://precollege.wlearn.com/>

### College Access Program

- o July 8-27, 2018
  - o The College Access Program (CAP) is a three-week summer enrichment residential program for first-generation college students or students from economically disadvantaged backgrounds. The program is open to 9th, 10th and 11th graders who have completed their high school academic year. Students must be completing their freshman, sophomore or junior year in high school when applying. Students must have a minimum 2.75 GPA and coursework which will prepare them for college.
- **UW-Madison's Cooperative Institute for Meteorological Satellite Studies** High school students who love science and have an interest in meteorology!
    - o Students must be entering grades 9 - 12
    - o June 24-28, 2018    Deadline: May 11    Early Bird: April 6
  - **Earth Focus Day Camps- UW Arboretum** [registration brochure](#)

### Learning Together

9:30–11:30 a.m. Ages 3 and 4, entering kindergarten, with an adult. \$25, 1-day sessions. *Children must be accompanied by an adult, limit two age-appropriate children per adult. Only registered children may attend. Children and adults will explore nature topics through crafts, songs, stories, hikes, and games.*

- **LT1: Tuesday, June 12.** Insects and Their Flower Friends
- **LT2: Tuesday, June 19.** Swooping Swallows
- **LT3: Tuesday, July 10.** Turtles at the Pond
- **LT4: Tuesday, July 31.** Secrets Inside a Tree

### Young Explorers

9 a.m.–12 p.m. Entering kindergarten and grade 1. \$110, 3-day sessions. *Great for first-time campers.*

- **YE1: Wednesday–Friday, June 20–22**
- **Where Do I Live?:** Discover animals and the homes they make in prairies, forests, and ponds.
- **YE2: Monday–Wednesday, July 23–25**
- **Critters in the Garden:** Explore the gardens and investigate the creatures living in the branches, leaves, and flowers of plants.

### Explorers

8:30 a.m.–12 p.m. Entering grades 1–5. \$105, 3-day sessions; \$175, 5-day sessions. *Campers will be divided into groups according to age.*

- **E1: Monday–Friday, Jun 25–29, \$175**
- **Let's Be Soil Scientists:** Investigate rocks, roots, fungus, decaying logs, and tiny critters that live beneath our feet as we explore the wonders of the soil.
- **E2: Monday–Wednesday, July 16–18, \$105**

- **Fantastic Flyers:** Learn about flight and how insects, birds, and bats navigate. Discover habitat secrets as we search for animals in the air.
- **E3: Monday–Friday, Aug 6–10, \$175**
- **Operation Adaptation:** How do spiders survive the cold and prairie plants survive the heat? Learn about plant and animal adaptations and how people coped with harsh conditions while living on the land.

### Eco-Trekkers

Entering grades 6–8. 8:30 a.m.–12 p.m. \$175, 5-day sessions. *Campers will delve deeper into topics and participate in citizen science and service learning projects.*

- **ET1: Monday–Friday, Jun 25–29**
- **Let’s Be Soil Scientists:** Investigate rocks, roots, fungus, decaying logs, and tiny critters that live beneath our feet as we explore the wonders of the soil.
- **ET2: Monday–Friday, Aug 6–10**
- **Operation Adaptation:** How do spiders survive the cold and prairie plants survive the heat? Learn about plant and animal adaptations and how people coped with harsh conditions while living on the land.

### Engineering Summer Program

<https://www.engr.wisc.edu/academics/student-services/diversity-programs/engineering-summer-program/>

- o Engineering Summer Program (ESP) is a six-week residential program for students who will be high school juniors or seniors in the upcoming school year. Targets those traditionally underrepresented in STEM fields.
- o The ESP course curriculum includes math, engineering, science, and technical communications.
- o Other structured programming such as industry site visits, cultural enrichment activities, and faculty mentoring will help you gain a better understanding of the field of engineering and its disciplines
- o Dates are June 16 – July 27, 2018

**ICE**

Institute for Chemical Education

### Fun with Forensics Chemistry Camp: <http://ice.chem.wisc.edu/Camps.html>

- o Entering Grades 5 -8
- o Fun with Forensics Chemistry Camp: July 9 - July 13 1:00 – 4:15
- o Fun with Chemistry Camp: June 18 – June 22 1:00 – 4:15
- o Fun with Inventions Camp: June 25 – June 29 1:00 – 4:15
- o Fun with Engineering Camp: July 16 – July 20 1:00 – 4:05
- o

**BioPharmaceutical Technology Center** [www.btc.org](http://www.btc.org)

### CAMP BIOTECH I: THE WONDERS OF DNA

- Dates: Monday, June 18 – Friday, June 22, 2018, 9am-3:30pm
- Cost: \$380 (included all materials; lunch and snacks; scholarships are available)
- Want to know how scientists can determine who committed a crime from just a small blood sample or how genetic mutants might be made? You can satisfy your curiosity about these questions and more by attending CAMP BIOTECH ONE: THE WONDERS OF DNA.
- This one week experience at the BTC Institute is for students entering 9th or 10th grade in fall semester 2018 who are interested learning more about DNA and genetic engineering. Students will build a DNA model, learn how to extract DNA from cells, transfer DNA into cells by heat shock transformation, amplify DNA to detect small quantities by PCR, and use restriction enzymes to identify DNA sequences. No prior DNA knowledge is necessary.

- [Camp BioTech Two](https://www.btc.org/k12/cb/camp_biotech.html): The Return of DNA June 25 – June 29, 2018 9:00 – 3:30. For students entering Grade 10 who have taken biology and are interested in learning more about DNA and genetic engineering. [https://www.btc.org/k12/cb/camp\\_biotech.html](https://www.btc.org/k12/cb/camp_biotech.html)
- [Youth Apprenticeship Program in Biotechnology – Dane county](http://www.btc.org/k12/yap/yap.html)  
The apprentices spend approximately half of their day attending high school classes and half their day at their worksite. In addition, they are enrolled in a specialized lab course taught weekly at the BTC.  
<http://www.btc.org/k12/yap/yap.html>
- [A Celebration of Life - XXI](http://www.btc.org/k12/cl/cl.html) Supports African American students' interest in the life sciences and provides them with the tools for success in school.
  - o Elementary Session: June 11-15, 2018 Students entering grades 3 – 5
  - o Middle School Session: June 18-29, 2018; Students entering grades 6 – 8
  - o <http://www.btc.org/k12/cl/cl.html>

 Dane County School CONSORTIUM [Youth Apprenticeship Programs](#) Programs integrate school-based and work-based learning for high school students. Variety of areas including STEM careers, health professions,

### **Milwaukee School of Engineering Summer Programs**

<http://www.msOE.edu/community/admissions/undergraduate/page/1485/summer-programs>

MSOE offers week-long, residential, academic camps for students who have completed their freshman, sophomore or junior year and are interested in exploring degrees in Engineering, Nursing or Business. - Students must be planning to enter high school as a sophomore, junior or senior in the fall of 2018. Great opportunity to spend a week at this urban Milwaukee campus.
